Italian Style and Tradition

Federico Fellini

Attibassi è uno storico marchio bolognese, molto apprezzato per la bontà genuina dei suoi prodotti.

L'azienda nasce come laboratorio artigianale nel 1918 per volontà di Agostino Atti e Marco Bassi.

Nell'atmosfera di Bologna, famosa per la sua cucina, i prodotti Attibassi crescono e si impongono all'attenzione dei palati fini. Oggi, come allora, raggiunte le dimensioni di moderna industria, l'azienda continua a dare espressione alla passione "artigianale" per i prodotti della tradizione Italiana.

Attibassi is a traditional brand from Bologna, Italy, much appreciated for the genuine quality of its products. It began life as an artisan pasticceria in 1918, through the passion and commitment of two confectioners: Mr Agostino Atti and Mr. Marco Bassi. In the atmosphere of Bologna, famous for good cuisine, Attibassi products grew and attracted the attention of refined palates. Today, as then, with the added refinement of modern techniques, the company continues to express the "artisan" passion for its traditional Italian products.
